WESTERN WISCONSIN HEALTH

Thank you for choosing Western Wisconsin Health Roberts Clinic for your functional medicine needs.

Enclosed you will find the paperwork to fill out for your consult and a print out of your scheduled appointments. The provider would appreciate if this paperwork could be dropped off, mailed or faxed back to us prior to your visit so that it can be reviewed.

In order for the provider to give you the best plan of care, we request that you contact any healthcare organization, outside of Allina, to release your healthcare records to Western Wisconsin Health. The types of records that are helpful include recent lab results, imaging results with the reports, recent office visit notes and sleep study results.

Please request the records at least 3 weeks prior to your consult to allow time for processing.

If you have not given us your insurance card or a photo ID it would be appreciated if you could send us front and back copies of each to be scanned into your account. You can email this to patient.access@wwhealth.org.

We encourage you to check with your insurance provider to make sure that our clinic and practitioner are within your health network.

You will need to check in 30 minutes prior to your consult for rooming time with the assistant. If you arrive late or paperwork is not complete your time with the provider will be shorter.

If you have any questions or concerns please feel free to reach out to us.
